

TOWN HALL DISCUSSION

This summer Tacoma residents will have a chance to narrow the field of City Council candidates who overlay District 1 as well as two at-large positions during the primary general election on August 6th. Finalist will be on the November 5th ballot.

Tacoma's recent growth spurt shows no sign of ending, and it presents both challenges and opportunities especially as they impact where we live.

This is a Town Hall format, which is open for everyone to ask questions and hear answers from the candidates as an audience.

If you would like to submit on-line questions in advance of the meeting, forward them to the North End Neighborhood Council Executive Board:
